# Milano Series

Rainbow manufacturing was established in 1977 to produce a high quality line of laminate office furniture at an affordable price. The Milano Series is a transitional line of laminate case-goods with the look and warmth of real wood. It is the most durable product on the market today featuring glossy or suede HPL (High Pressure Laminate) work surfaces with your choice of fifteen durable top edges, three base options and six decorative handles. Mix and match any in stock HPL laminate work surface with the three melamine base options. The Milano series is available in various sizes and configurations so you can design an office that works for you.

## Top Work Surface

- \* 1-1/8" thick HPL ( High Pressure Laminate ).
- \* Radius top corners with T-Molding  
(except on backs of hutches, bookcases, credenzas, Compudenzas, Compucurve-Denzas, lateral files and storage cabinets ).
- \* 15 durable, top edges to choose from.
- \* All tops overhang the side panels by 1".
